

Application No. 10/653,082
Examiner: Demetrius Pretlow
Art Unit 2863

REMARKS

When reviewing the application in preparation for payment of the issue fee, it was noted that the dependencies of claims 26 and 28 were incorrect. The proposed amendment intends to cure these errors and does not raise any new issues requiring further examination or detailed consideration. The amendment of claims 26 and 28 now places these claims dependent from claims 25 and 27, respectively.

If any issues remain that may be resolved by a telephone or facsimile communication with the applicant's attorney, the examiner is invited to contact the undersigned at the numbers shown below.
